Spaghetti Supper Will Be Part of Catlin P- TA Event

The first organized event of Catlin School's P- TA will take place Monday night when a spaghetti supper will be held at the school, 12736 Marinda.

The supper will be served from 5 to 7 p.m. and tickets will be available at the door.

The parent-teacher unit invites the public to attend this supper, and to see their new school, which opened in September.

Tickets were sold at the school. Because the fifth grade class, under Marlin Nelson, sold the most tickets, it received a special prize. Scott Potter was selected to represent the prize-winning group.
